***ANNUAL GOLF OUTING - Wednesday, August 4, 2010 ~ Gleneagles C.C.***

**From the President**

We have recently completed both of our major events for this calendar year. At the risk of sounding repetitious, both were astounding successes. Our banquet in April drew well over 600 attendees. This was headed by

the class of 1959, almost 100 strong, celebrating their 50<sup>th</sup> Anniversary.

Just within the past month we completed our golf outing. It was again held at Gleneagles in weather that was described as awesome. We had over 230 guys participating and all had a great time. As is always the case, we could not mention our golf outing without expressing our appreciation to Joan Howard and her group of female volunteers who made the date the success it was.

Our organization like most did feel the effects of the severe recession this year. We have two major fundraisers each year, the ad book at the banquet and our decal sales. Normally we realize about \$50,000 from these two efforts and this year we realized less than \$30,000 combined. Thanks to cautious financial handling in previous years, we will be able to survive this setback but hope to get back on the track next year.

I recently handed over a check to Phil Messina, the new principal of Leo, to honor the Jack Howard Scholarship Fund. The check was for \$6750 and will cover the complete tuition for Senior Edward Vaughn.

Have a great fall and happy holiday season!

Best regards,  
Rich Furlong '59  
President

**Heroes**

When I was growing up as a young man at Leo High School, I had a number of heroes. My heroes were my father, Richard P. Furlong, a World War 2 veteran, who didn't go to Leo but worked hard so his three sons could. I also looked up to Jim Arneberg. Jim was another World War 2 veteran. A decorated Marine. He was my freshman home-room and history teacher, the head basketball and football

coach at Leo and a man whom I am proud to say I maintained a relationship with until his early death.

Finally, I was very fortunate to have great friends and mentors amongst the Christian Brothers of Ireland. First was Brother Coogan, who had the unenviable task of trying to teach me Latin. Not only was he able to teach me Latin he took the time along the way to become a friend. Brother Finnerty was another who comes to mind. He was the A.D. at Leo as well as English and History teacher. Anytime I had the need to talk or seek guidance I stopped into his classroom after school and he spent however long it took to help me resolve my problems. He was another true friend and hero. And while there were many more, the names Birmingham, McAdams and McCormick stick out. All men who had a vocation and stuck to it above and beyond. These are people who 50 years later still have an influence over who I have become.

I am however troubled about news coming out of Ireland. Members of the Christian Brothers and nuns from the Sisters of Mercy are being investigated for cruel and unimaginable torture of young children who were entrusted to their care. The investigations have been completed and the reports are in and there can be no doubt the above took place.

This is extremely troubling for me. I have been torn. What can you believe in anymore? In today's world, we hear allegations of wrongdoing against policemen and firemen. We all know of the scandal regarding priests around the world and now our beloved brothers.

I have sorted this out in my mind. I will pray for the very unfortunate victims who must undergo a lifetime of anguish. I will even pray for the predators who caused them that anguish. May God find it in his heart how to deal with those people. However, I will not lose sight of the fact that the great majority of people in the professions previously cited are decent and honorable people.

I choose to honor policemen who go to work in the streets each night all night facing danger so that the rest of us can sleep safely in our homes.

I choose to honor firemen such as those who rushed into the World Trade Center while everyone else was run-

ning out. They knew their job and chose to do it even though they would never go home to their loved ones again.

I choose to honor priests who sit in hospital waiting rooms at 3 a.m. with family members, giving comfort while a loved one dies.

And finally I choose to honor the Christian Brothers of Ireland, most of whom molded young men at important times in their lives. They were teachers, mentors, friends and heroes.

## **John R. Howard Scholarship**

With the advent of a new school year I am proud to introduce you to this year's recipient of the John R. Howard Scholarship. This year's recipient is Edward Vaughn. Edward is a junior at Leo. He came to Leo from Providence – St. Mel Junior High. Edward has a 3.88 grade point average and is ranked number 1 in his class. He hopes to study Business Administration at Florida State University after he graduates from Leo. He attended a Youth About Business course over the summer at UIC to learn more about life as a business entrepreneur. He likes reading and listening to music and he also plays a guitar and oboe. This spring he will be trying out for both the track team and the Jessie White Tumblers. Edwards's uncle is an alumnus of Leo.

## **New Principal at Leo**

At the recent Leo Golf Outing, I had the pleasure of meeting Leo's new Principal.

The new principal is Philip Messina. I enjoyed my visit with Phil and invited him to sit at my table for dinner. I was impressed with Phil's enthusiasm for being at Leo. He has been a school administrator in Catholic Schools since 1998. He has held various positions such as; school business manager, dean of students, assistant principal and principal. He has attained a Masters degree in School Leadership and Administration from UIC and holds a Type 75 Administrative Certificate from Illinois. He served in the U.S. Air Force from 1984- 1992 as a computer systems analyst and was at Check Point Charlie the night the Berlin Wall came down. He is a life member of the VFW and also a member of the American Legion. He is a member of the Parish Council at Sacred Heart Church in Lombard, is also an usher, a Eucharistic Minister, and former school board member. He coaches his daughter's 7<sup>th</sup> Grade basketball team.

Phil has been married to Jocelyn for 22 years and has two daughters. Elizabeth is a sophomore at Montini Catholic in Lombard and Anastacia is a 7<sup>th</sup> grader at Sacred Heart. Phil emigrated to the U.S. from the Philipines when he was 8 years old with his parents and 4 brothers and sisters.

## **Bob Foster To Retire**

Some things are so good that they should never end but as we all know all things do eventually end. Bob Foster the man most identifiable with Leo High School has announced his retirement effective December 31, 2009.

I personally remember Bob as a stellar performer on the Leo High School 1956 City Championship Football team. After that Bob moved on to Purdue University before returning to Chicago after graduation. Bob had brief coaching stints at Little Flower and St. Rita before following his heart back to Leo.

His career at Leo included stints as a teacher, coach, athletic director, administrator, principal and finally President of Leo.

While Bob did a great job at all of the positions, his legacy will always be the fact that for the last 20 years there probably would have been no Leo High School without Bob Foster. Bob turned his love of Leo into a lifetime of hard work and long hours working to insure that money would continue to flow in from many different areas. Many Leo Alumni who knew and respected Bob donated to the "Miracle on 79<sup>th</sup> St." to help continue the education of young neighborhood boys who want and deserve a better life.

I know you all join me in wishing Bob a long and healthy retirement. Knowing Bob, this will be a tough adjustment, but again because I do know him he will also be successful at that.

## **Lions Laughter**

"Somebody has said there are only two kinds of people in the world. There are those who wake up in the morning and say "Good morning, Lord," and there are those who wake up and say "Good Lord, it's morning."

There is the story of a pastor who got up one Sunday and announced to his congregation: "I have good news and bad news. The good news is, we have enough money to pay for our new building program. The bad news is, it's still out there in your pockets."

While driving in Pennsylvania, a family caught up to an Amish carriage. The owner of the carriage obviously had a sense of humor, because attached to the back of the carriage was a hand printed sign:

"Energy efficient vehicle: Runs on oats and grass.

Caution: Do not step in exhaust."

## **Another Great Leo Golf Outing**

We held our golf outing this year at Gleneagles Golf Club, on August 5<sup>th</sup> under perfect weather conditions. Over 230 Leo men came out to conquer the course and while not everyone did, all had a great time. Afterward all of the golfers and a few additional dinner attendees enjoyed a great dinner and many went home with a gift from our super prize table.

No mention of the golf outing can ever be made without acknowledging the fantastic work effort of Joan Howard. Joan works all year on this outing so that we can come out and enjoy the day.

Joan has also asked that we acknowledge a number of people who contributed to the success of the outing. Hopefully we have not left anyone out.

If you haven't attended this please consider it. It is very heartwarming. It will be followed by a luncheon in the school cafeteria

## Annual Alumni Awards

As you are aware, the Alumni Association presents various awards to worthy Leo alumni at our annual banquet. In addition to our annual awards, starting this year we are also looking for nominations for the Leo Hall of Fame. The Alumni association has been asked by President Emeritus Foster to assist him in finding alumni that are worthy of consideration for the Hall of Fame. Keep in mind that Leo's Hall of Fame is not exclusively an athletic award, but an honor bestowed upon alumni that have helped Leo in a manner that is above and beyond ordinary expectations.

In addition to the Hall of Fame, the Alumni Association presents the following awards;

First and foremost is the Man of the Year. This award goes to an individual that has benefited Leo in an extraordinary way. Many have helped Leo, but this honor is given to the person who has demonstrated an outstanding effort to make Leo all that it can be and is.

Also presented is the Community Service award. This award is given to an alumni member that shows an active interest in promoting the community around him. This isn't specific to just helping Leo, but is awarded to an individual that makes an extraordinary commitment to their community.

Finally there is the "Doc Driscoll" award named for Dr. Thomas P. Driscoll a man who went above and beyond the call of duty in making sure Leo High School continues to be the success that it is today. The recipient of this award has shown an extraordinary devotion in helping Leo High School carry on the tradition of excellence that we have all experienced. As you may have noticed this is the one award that is not presented every year. This is because we feel it should be given only to a very special individual who represents the values and ideals that Doc Driscoll demonstrated.

You may not be aware that these awards are open to nomination by any member of the alumni. In the past these awards were discussed at our monthly meetings (which are open to all by the way) and we think that it is important that all alumni have the opportunity for input, either in person or by written recommendation. Anyone who knows of an individual that demonstrates the qualities required of each award, please contact us. Along with the nomination, please submit a short summary of why you feel that this individual is worthy of the honor.

Any and all help in identifying worthy individuals for these honors is greatly appreciated. The Leo Alumni community is quite large and it is important that all of us have the opportunity for input. Please send their name, the reasons you feel they are deserving of these awards and a short resume of their achievements to either;

Leo Alumni Association  
PO Box 603  
Oak Lawn, IL 60454

Or to  
dnno215@sbcglobal.net

We look forward to hearing from you so that we can continue to honor those who continue to help Leo alive!

## In Memoriam

### Unfortunately we have lost several alumni and family members.

Below is a list of alumni that we believe have died since the last newsletter. If you know of anyone else please let us know and we will incorporate it in the fall newsletter.
