ANNUAL GOLF OUTING - Wednesday, August 6, 2014 ~ Gleneagles C.C.

From the President

Fellow Leo Men and Friends of,

The summer is over and we are already well into fall. I hope you all had a great summer and wish you all the best in the coming year. Looking back at the past year brings about great memories of the many notable events that we were able to enjoy as a group. I am looking forward to this year's events and the memories they will most certainly provide. These are listed in this newsletter and also check out our website "www.leoalumni.org" for additional gatherings that pop up throughout the year. If you haven't had a chance to view the website, I encourage you to take a look. Tom Lynch '73 has updated an already great site and made it even better than it has always been. You'll be pleasantly surprised at the amount of content regarding "Leo" that is on this site. Once again the school is off to a great start and Dan McGrath '68 has written an article for this newsletter updating the school's success.

On a personal note, I will soon be starting my second year as the President of this fine organization and have found my time challenging, but overwhelmingly rewarding. I am joined by a great group of "Leo Men" who serve as officers and directors and without them, the events we organize wouldn't be even remotely possible. They always run smoothly, as a result of the hard work and time each and every one of them generously provides.

It seems like only yesterday that I was entering Leo for the first time and being terrified of what I was about to experience. This trepidation was quickly replaced with relief in knowing that I was now part of a special group of young boys that would soon become "Leo Men", many of whom remain close friends to this day. I am truly proud of my Alma Mater, to the point of my wife believing that they must have brainwashed us in some way to be so loyal. What in fact was done, was to impart in all of us the importance of the school's motto "Facta non Verba". What a strange thing to hear as a 13 year old in the fall of '71, on his first day of class, in a room far away from my comfort zone. I'm not sure who explained what it meant in that first homeroom session, but simply put, we were told it meant "deeds not words". At the time this didn't mean much to me, but as my high school years went on, the meaning became clearer as I saw how these teachers demonstrated the meaning

of this Latin phrase each and every day.

As I moved on in life, without really knowing it, I tried to live my life this way as well. It wasn't until many years later that I realized that "Facta non Verba" was in fact a direct result of the fine mentoring that was provided to me by the many loyal faculty members that influenced my life so strongly, a spirit that continues to this day at Leo. Dan McGrath and his staff are carrying on the fine tradition at the school these days so that many more can continue this great tradition. There hasn't been a time in meeting with Dan, that he hasn't relayed a story about the school and the young men attending, that doesn't leave me proud to be an alumnus of this fine institution. This tradition is able to carry on because of the many dedicated alumni who have chosen consciously, or otherwise, to live their lives with following that simple phrase "Facta non Verba". So as you always have please continue your support of this school so that many generations that follow will continue to learn that simple phrase, "Deeds not Words" and allow Leo High School to thrive and prosper.

2013 Alumni Banquet

This year's banquet was once again held at the Lexington House and, as usual, was a great success with near 600 attendees. What a great way to reconnect with old friends and relive those "Glory" days. This year's banquet will be held on April 25th at the Lexington House. It's never too early to start making plans and reaching out to your fellow classmates to join you, for what I believe to be one of the best alumni events in the area. We have a few gentlemen that have taken on the responsibility of organizing the Jubilee years as well as the 30th and 40th years. Please reach out to them and give them any assistance you can provide. Their names are listed in following articles.

Golf Outing 2013, WOW!!!

It is my pleasure to advise all of you that our recently completed golf outing was probably the biggest and most successful that we have ever had. We had 260 paid golfers and over 280 for the dinner. Four years ago, when I started running the golf outing, I had a dream, namely 2 full shotguns. It has always seemed like just that, a dream, but now we are only 7 foursomes away and growing. Many thanks to Jack Hannigan and the class of '63 who carried out their banquet reunion to include the golf outing. It is such a great idea, that hopefully, the class of '64 will do the same thing and if Jack can bring back his guys maybe a dream is

realized, who knows.

The auction was a big success both financially and in adding fun to the afternoon. Many people contributed to the raffle tables but I would be remiss if I didn't mention Dan McGrath '68 and Skip Strzelecki '64 for their generous donations to our first ever auction.

Finally, I would like to acknowledge the people who worked side by side with me on the committee, namely Larry Bahnman '60, Jim Farrell '61 and Larry '75 and Karen Lynch.

I look at it this way, we cleared over \$10,000, which will pay for two young men to attend Leo High School and the only cost to us was 260 guys playing golf and having fun. See you next year on August 6th.

Alumni Basketball Night

January 31, 2014

Four years ago we started having "Alumni Night" basketball games at which we are spectators not participants. What started out as 75 alumni in our spacious gym has grown and has been a very positive item in our very strong Alumni Association.

Because Brother Rice is not on our schedule this year and the St. Laurence game is away, our night this year will be January 31st, a home game against Gordon Tech.

Once again, we will have a Leo bus (brand new) leaving from Father Perez Knights of Columbus Hall (3422 W. 111th St.) at 6:15 for the 7:30 PM game. The bus will take us back to Perez after the game for free pizza and a cash bar. As the evening wears on, the old stories get a little longer.

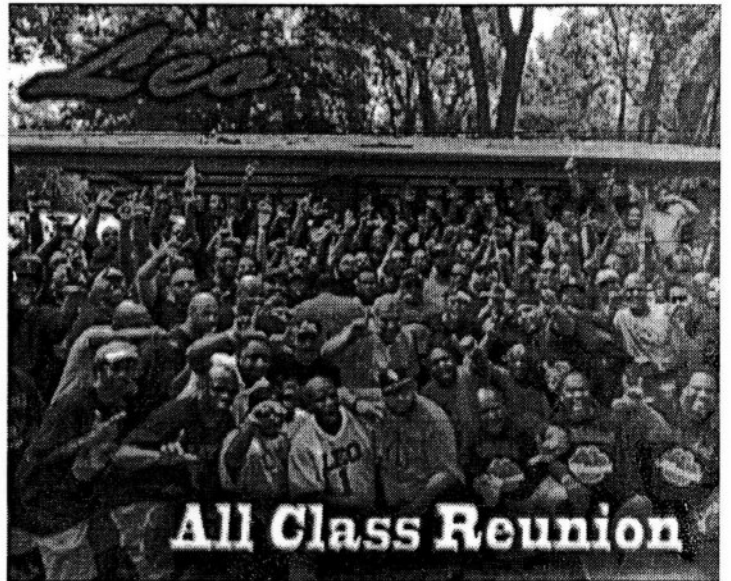

Please contact all of your relatives, classmates, etc. for a fun night. Girls are welcome at the game and Perez. Tickets for the game are \$5 at the door only. Parking is available in the Leo lot across the street.

Blessing of the Buses

On Monday, October 28th at 9:00 a.m. Cardinal George will be at Leo to bless the newly purchased buses that resulted from the successful "Lions Express to Opportunity" campaign.

Alumni Picnic '13

This year's 2013 All Leo High School Alumni Cookout was a great success! This past August 200 Leo Men & guests gathered at Dan Ryan Woods to reconnect with old classmates, connect with older alum, and raise funds to donate to the Leo High School's new buses purchased this past summer. I like to give a special thanks to the Class of '88 (25 year reunion) & Class of '93 (20 year reunion) for hosting this years All Alumni Cookout. Class of 1993 was so gracious to have on display a real live Lion as a gift to all alum. It was good seeing all the Leo alumni who were in attendance, with classes ranging from 1985 to class of 2012. Let's make next years All Leo High School Alumni Cookout an even bigger success with more classes in attendance.

Keith C. Martin, Sr. '93

Letter From The President (Leo H.S.)

Our efforts to ensure that Leo remains a thriving School of Opportunity for today's Leo Men hit a snag in the spring when IDOT grounded two of our vehicles. The rickety old van and the sagging, dilapidated mini-bus surely didn't look like much, but they got us where we needed to go until IDOT decided a combination of age and wear-and-tear made them a safety hazard and failed them in an inspection.

Crew chief Al Townsend, who maintains the "fleet" for us, said it would cost more to fix the sad old beaters than they were worth, so we sold them for scrap.

So much for our plan to increase enrollment by providing transportation to the areas we're drawing students from, as well as other neighborhoods we'd lost touch with. Down to two vans, we couldn't even transport our sports teams without incurring large rental costs.

Sam Leno to the rescue.

Sam is a 1963 Leo grad and a faithful Leo supporter who relocated to New England after graduating from Northern Illinois University and serving as an officer in the U.S. Navy. Sam pitched the idea of an ambitious, one-time campaign to raise the money to fund our transportation needs. His son's firm provided marketing expertise, with help from some Leo students who devised the slogan---"The Lions Express to Opportunity"---and helped design the promotional brochure. Sam covered the cost of the mailing and made a generous contribution of seed money.

Thanks to Sam's leadership, Pat Hickey's execution and typical beyond-the-pale generosity of Leo Men, the campaign was a phenomenal success. It launched in late July, and within six weeks we had enough money to pay cash for a full-size school bus and a sleek, almost new mini-bus. Rental costs are a thing of the past. More important, we have three clearly identifiable "Leo" vehicles on the road covering five routes every morning and bringing more than three dozen kids to school. We plan to have another two routes covered by the end of the year, after we buy another vehicle.

All of us here are grateful beyond words. When we rolled up in the like-new, flashy-logo buses a few days ago, the kids were absolutely wide-eyed, as if they were filled with candy and Christmas presents. They're pretty excited about riding in style, particularly as a contrast from what they were used to.

There's practical value in it for us, and symbolic value as well. The new buses suggest things are happening here, that we're getting things done. And we are---all because of the most loyal, generous, supportive alumni network in the country. Sincerest thanks to all of you.

The Lions Express to Opportunity rolls on. Indeed. I'm proud to be part of it.

God bless.

Leo High School

Leo Update

Coach Mike Holmes believed he had the ingredients for future football success when Theo Hopkins, Solomon Jones, Juvan Lewis, Terron Bell and their classmates enrolled at Leo as freshmen three years ago. With De La Salle transfer Mike Conley joining the mix and junior Latrell Giles developing into a stand-out quarterback, the pieces are in place for a special season. Leo is off to a great start, with impressive victories over St. Ignatius, St. Joe's and Lake Forest Academy and a forfeit win over St. Francis de Sales, which was down to 15 players.

With two wins in its five remaining games---Fenton, Hales Franciscan, Gordon Tech, Bishop McNamara and Mt. Carmel---Leo will be assured of a berth in the IHSA state playoffs, at either the 2-A or 3-A level.

Bishop Mac, on Friday, Oct. 18, at 7:30 p.m., is the only remaining home game. The Lions have played their home schedule at the Kroc Center, a sparkling new facility located at 119th and Loomis. The Kroc Family of McDonald's fame bought the land that had been home to a Libby's canning plant, cleared it and turned it over to the Salvation Army for the express purpose of developing a youth center. Leo played eight baseball games and hosted a Class-A baseball Regional at the site last spring, and was happy to sign on as a tenant when the football field opened this fall. It's been a nice arrangement.

Leo's frosh-soph team is off to a 4-0 start as well. It helps having a smart, savvy coach's son at quarterback-freshman Aamir Holmes.

Leo extends a warm welcome to four new faculty members: Ms. Kimberly Hickey, Ms. Jean Pagliaro, Mr. Mike Anderson and Mr. Titus Redmond.

Ms. Hickey, a graduate of New Trier High School, earned her undergrad degree from Notre Dame and a Master's from the University of Pennsylvania. She prepared for her work at Leo by practice teaching at Philadelphia's Overbrook High School, best known as the alma mater of basketball great Wilt Chamberlain. Ms. Hickey is teaching freshman algebra, sophomore geometry and senior business math. She is also assisting Mike Joyce with the Leo boxing team, having learned to box by taking part in the famed Bengal Bouts intramural tournament at Notre Dame.

Ms. Pagliaro is no stranger to the South Side Catholic education scene, coming to Leo highly recommended after a distinguished career at Maria High School. She is teaching freshman Earth Science and sophomore Biology in an expanded science curriculum.

Mike Holmes' decision to concentrate on his duties as admissions director and football coach created an opening for a dean of students, and we're delighted to add Mike Anderson '93 to the faculty. Mike has been helping out with the frosh-soph football and baseball teams and is one of Leo's most energetic and successful recruiters. Having him in the building full time is a plus for Leo.

Titus Redmond, a former Gordon Tech star, is one of the most respected figures in local basketball circles. He has been assisting Noah Cannon for the last 10 years and will remain on the basketball staff while teaching English at all four grade levels. Coach Redmond is another experienced recruiter whose full-time presence will enhance our efforts to build enrollment.

While welcoming its new teachers, Leo bids a fond farewell to Bob Schablaske, who retired over the summer after 38 years as a Catholic schools teacher and coach, 25 of them at Leo. We are looking forward to honoring "Coach Schab" at a basketball game this season.

We also thank two other departing teachers for their service. English teacher Barry Isreal left Leo for the political world, and math teacher Christine Meany took a job in the suburbs after getting married and relocating.

Leo Veterans Observances

Contact - Mr. Pat Hickey, Director of Development (773) 224-9600 ex. 208, Leo High School 7901 South Sangamon Street, Chicago, IL 60620

Leo High School, Leo Alumni Association welcomes all veterans to the Memorial Observance at the Leo War Memorial in the school's courtyard.

Leo High School erected a memorial in 1965 to the many Leo men who have died serving America in World War II, Korea, and Vietnam and the Windy City Veterans of Chicago updated the engraved names and constructed permanent lighting for the memorial. Last year more than two hundred people joined the 150 Leo students in honoring America's war fallen.

Online Store

With the holidays approaching, your Leo High School Alumni Association in partnership with Midwest Promotional Group, have put together an Online Store. Please go to the Alumni website and 'click' the store and it will take you right to the order page. You can pay by credit card, check or paypal. Annual Alumni Awards

It once again is time to ask you to provide the Alumni Association with nominations for our annual awards. These awards are open to nomination by all Leo H.S. Graduates or past and present faculty members. The nominations will be submitted at our monthly meetings in November and December with voting conducted at the January meeting. We strongly encourage you to submit a nomination of a candidate who displays the qualities of each award.

Our most important award is that of Man of the Year. This award is bestowed upon an individual who has benefitted Leo H.S. in an extraordinary way. Many have helped Leo, but this award is reserved for the person who has demonstrated an outstanding effort to show what it truly means to be a "Leo Man".

We also present a Community Service Award to an Alumnus who shows an outstanding example of promoting the community around him. This is not specific to the Leo community, but the community in which they lend their efforts.

The Dr. Tom Driscoll award, named after the man who went above and beyond the call of duty in making sure Leo H.S. continues to be the success it remains today, is also open for nomination. The recipient of this award will have shown extraordinary devotion in helping Leo carry on the outstanding tradition of excellence that we all know and appreciate.

Finally, the Alumni Association is assisting the School in choosing candidates for the Hall of Fame. Hall of Fame honors are given to individuals who have given their time, talent or financial support of Leo High School. Typically, six members will be honored each year and often times they are nominated a few times before they are inducted.

Please submit your nominations for all awards, along with a brief resume of their qualifications as soon as you can. These can be sent to the Leo H.S. Alumni Assn., P.O. Box 603, Oak Lawn, IL 60454 Attn: Dan Stecich or email me at dnno215@sbcglobal.net
