January, 2023

Dear Fellow Alumni,

Happy New Year to all Leo Alumni and their families! Here's hoping 2023 will be a blessed and prosperous year for all of us and for Leo High School. In spite of the many challenges experienced over the past few years, Leo High School has not only survived but thrived. Today under the leadership of Dan McGrath and Shaka Rawls and their dedicated staff, Leo continues to carry out its mission of forming young men to be productive, morally-conscious leaders of tomorrow. The Leo Alumni Association fully supports this mission both in spirit and with our financial contributions. One of the best ways for us to show our tangible support is through the Annual Decal Drive.

Over the years, the Decal Drive has been very successful in providing much needed financial aid to many deserving Leo students. This monetary assistance has enabled many young Lions to obtain the same high quality education which we received. I am extremely grateful for the outstanding instruction and guidance I received at Leo. I am sure all of you share in this gratitude. Supporting the Decal Drive is a great way for us to "give back" to the school that has given us so much. Our contributions will help continue this strong Leo tradition well into the 21st Century.

Displaying the decal is also an outward sign of our strong support of Leo. Please display it with pride and let everyone know you are a Leo Man!

Thanks very much for your continued support!

Decal Chairman

I would like to thank Dan for his efforts in the Alumni Association and for acting as Chairman of the decal committee for many years now. Our alumni are a generous group and this drive goes a long way in helping the school carry on a tradition started almost 100 years ago. Thank you again for your generosity and remember our motto "**Facta Non Verba**"!
